

PECB Certified ISO 21500 Lead Auditor

Master a Project Management Audit based on ISO 21500

Why should you attend?

ISO 21500 Lead Auditor training enables you to develop the necessary expertise to audit a Project Management process, evaluate project performance and determine whether the project is being managed based on best practices and ISO 21500 guidelines. During this training course, you will acquire the knowledge and skills to plan and carry out internal and external audits in compliance with ISO 19011 and ISO/IEC 17021-1 certification process.

Based on practical exercises, you will be able to master audit techniques and become competent to manage a Project Management audit, audit team, and project performance.

After acquiring the necessary expertise to perform a Project Management audit, you can sit for the exam and apply for a "PECB Certified ISO 21500 Lead Auditor" credential. By holding a PECB Lead Auditor Certificate, you will demonstrate that you have the capabilities and competencies to audit organizations based on best practices.
